# WHAX - experts in handmade luxury goods

---

WHAX trade Products are designed to be accessible, easily deploy-able and cost effective offering great returns and value plus the confidence in the products you purchase are made to the same exacting standards as all WHAX products.

All our products are hand poured, meaning we are both optimised for efficiency and able to maintain and deliver exacting quality standards.

We work with some of the world's biggest luxury brands and suppliers so producing and delivering exceptional quality products is second nature to us and something we have a tried and tested reputation for.

We are ISO accredited with 9001:2015 and 14001:2015. Our development team are hands on to ensure our clients brief is met, our processes and systems offer complete traceability and batch testing to meet even the most demanding client specifications.

Our packaging team are highly skilled and attentive, with all products being hand finished. Every product is finished to your specific requirements where quality control is key. This attention to detail and pride in workmanship is what stands us apart from our competitors.

# CANDLE
